

## REPLACEMENT DOME ORDER FORM

ACOL will manufacture a new LID ASSEMBLY with TWINWALL POLYCARBONATE glazing. This glazing is a flat, 6mm thick material. It can be supplied flat or with an X Break to form a shallow pyramid shape. Colour is either CLEAR or OPAL (Milky white). Lid frame material can be specified.

-Remove old skylight dome.

-Measure the outer dimensions of the upstand.

-New LID ASSEMBLY will be made to fit over the upstand.

PLEASE COMPLETE AND RETURN BY FAX WITH YOUR ORDER
